publication of the

## ROCKY MOUNTAIN RAILROAD CLUB 50TH ANNIVERSARY CALENDAR

For nearly fifty years the Rocky Mountain Railroad Club has promoted interest in our western railroad heritage through publications, preservation projects, monthly programs and special railroad excursions. To commemorate half a century of activities the organization is publishing a 1988 50TH ANNIVERSARY WALL CALENDAR that highlights a selection of memorable Club excursions captured on film by seventeen Club photographers. Over twenty-six black and white photographs on a large 14" x 22" opened format depict a wide variety of chartered passenger train operations undertaken over the years. Included are views of specials on the BLACK HILL CENTRAL in South Dakota, COLORADO & SOUTHERN, DENVER & INTERMOUNTAIN electric, DENVER & RIO GRANDE WESTERN (standard and narrow gauge), GREAT WESTERN, MANITOU & PIKES PEAK (steam), MIDLAND TERMINAL, RIO GRANDE SOUTHERN (steam and Galloping Goose) and the UNION PACIFIC.

This 50TH ANNIVERSARY CALENDAR will not only be functional throughout the year but will surely be a memento you will want to keep. A great idea for a Christmas gift too! Proceeds from sales will benefit the Club's archive and equipment collections. Cost is only \$6.00 each plus \$1.50 each for first class postage or they may be purchased at Club meetings. Availability will be in mid-November. Mail orders may be submitted on the form below. Supply is limited....order yours today!!
